Executive Headteacher: A. D. Best-White.

Executive Deputy: N.Pellatt

Head of School: K Connelly

Dear Parent/carer

I would like to offer an online Art Club to all year groups and hope to start this next week.

Art Club will take place on Thursday, after school starting at 4.00pm. Children wishing to take part will be invited to join an online meeting using TEAMS. During this session we will talk about and look at the art activity for the session. The children will not need to fully complete their artwork within the session but can instead continue in their own time when we have signed off. If they wish, they can send pictures/photos of their work into school using either the associated assignment online (in the same way as they have submitted homework since September and remote/home learning work over the last few days) or by emailing their snaps into school using the main school address: [office@oldcatton.norfolk.sch.uk](mailto:office@oldcatton.norfolk.sch.uk)

Materials - Children will need to have access to paper, scissors, glue, pens, pencils, paint etc. The assignment, including instructions and any extra materials/equipment required, will be sent in advance of the session. It might be that children have to substitute items depending on the availability of materials at home- this is not a problem and an added chance to be creative!

If your child is interested in joining our online Art Club, please send an email to the above address containing the name of your child and their class/year group and mark the subject line Art Club

I will send both confirmation of your child(ren)s place and the start date via email, in due course. Your child(ren) will be sent an assignment for the session and a link to join the meeting ahead of the first session.

Many Thanks

*Miss Cooper*
