Dear Parent/Carers

Following several queries from parents, and to avoid any confusion which may have been caused by recent government announcements, I am writing to remind you about the arrangements with regards to children returning to Nebula schools from June 2020.

We are organising a careful, phased return to school for all our eligible pupils. Please refer to my previous letter dated 22 May 2020.

On June 1, **ONLY** the children of Critical Workers who have been attending childcare at one of our school sites since 23 March 2020 may return to school.

Please do not bring your child back to school until you have been invited to do so. Your child's school will contact you directly as soon as they can. You will receive a letter specifically for your child from your child's Head of School, with the date of your child's return to school, and additional details such as start and finish times.

A handwritten signature in black ink that reads "A. D. Best-White". The signature is written in a cursive style with a small dot above the 'i' in "White".
