12th February 2021

Dear Parents/Carers

As we come to the end of a particularly challenging first half of the spring term I thought I would clarify a couple of items for the coming weeks.

Firstly, there will be no compulsory work set by any of the teachers over half term. Pupils should step away from their school work over the break and take the time to relax, recharge and enjoy themselves. Everyone has worked incredibly hard, adjusting to the changes we have faced brilliantly and so they should all enjoy a well-deserved rest. We look forward to seeing refreshed and revitalised pupils at the start of next half term!

Term will resume on Monday 22nd February when school will again be open for Key worker or vulnerable children only. All other pupils will continue with remote learning as school will not open fully before 8th March. We do not know any further opening details beyond this time as we only have access to the same information as is reported in the press. We will communicate any additional information as soon as we are able to do so. Please be reassured however that when we are able to open fully we will continue with our safety procedures previously in place.

Kind Regards,
