An Ormiston Academy | Excellence in all

September 2022

Dear Parent/Carer

Open Evening for Year 6 into 7 - Thursday 6th October 2022

We warmly invite you to attend the City of Norwich, An Ormiston Academy (CNS) Open Evening for students transferring from primary to secondary school in September 2023. The Open Evening is on **Thursday 6th October from 5.30pm to 8pm.**

The staff, students and governors look forward to welcoming you to the evening which allows the opportunity for you and your child to hear more about our school; including how we will support your child, the excellent teaching & learning and curriculum they will receive, our consistently strong results at GCSE and A level and our vision for the future. We are immensely proud of our school, its history and our nationally recognised achievements, and we look forward to sharing this with you.

During the evening, you will have the opportunity to tour the school, experience specialist learning in the classroom and meet the staff and some of our current students. Our Open Evening has always proved to be very popular and well attended. We have ample car parking space available, however, please allow plenty of time to ensure you do not miss out on seeing all of the school.

I will give a presentation at three separate times: **6pm, 6:30pm and 7pm** in the Fisher Centre, our performing arts centre. To disappointment and avoid overcrowding, please ensure you choose your preferred time to attend my presentation during the evening. You can book a place on one of the sessions using the booking system Event Bright - the URL for our page is <https://www.eventbrite.co.uk/e/city-of-norwich-school-open-evening-2022-tickets-417898544797>, alternatively you can access the link for ticketing via the school website. <https://www.cns-school.org/Open-Evening/> Tickets are limited to 200 per address, please ensure you book 1 ticket per person attending and bring your tickets with you either electronically or on paper.

Starting secondary school is a significant milestone in your child's education and we appreciate the importance of helping you to make an informed decision about your choice of high school.

We look forward to meeting you.

Yours sincerely

Ms J Philpott
