

Years 5 and 6

<u>Topic</u>	<u>Activity Ideas</u>
English	Year 5/6: Watch a film and write a review of it. Be as objective as you can and try to keep it formal - read some film reviews from IMDB or newspapers to inspire you.
	<u>Year 6:</u> Write a letter to your future High School Teacher - what do you want them to know about you?
Maths	<u>Year 5:</u> Looking at graphs can you make one that shows the things you are doing or have done during lockdown. Perhaps you could document the amounts of food, Xbox playing, outside exercise or TV watching you've been doing.
	<u>Year 6:</u> https://www.dummies.com/education/math/geometry/how-to-use-the-golden-ratio/ Research the The Golden Ratio and create a presentation about. Use this to help you: https://www.youtube.com/watch?v=vMkHkupY8FO
Science	<u>Changes and Reproduction:</u> Create a timeline for your life, drawing yourself at different stages: Baby, Toddler, Child, Teenager, Early Adulthood, Middle Age, Old Age. Add the things you hope to achieve at each point.
Humanities	<u>History:</u> Research the Ancient Athenians and contrast and compare them with the Spartans. Both were 'Greeks' but raised their children very differently and structured their societies in different ways. Make a poster or presentation.
	<u>Geography:</u> Make a map of your local area; including types of buildings, land use and street names.
Art/DT	Design and Make an outfit out of recycled materials - find a designer that you like and copy their style.
Music	Refer to this Sway: https://sway.office.com/JV8vCSBACGVMcNBe
RE	Please refer to this Sway: https://sway.office.com/76BtmN8msSPNXxvJ?ref=Link
PE	Design and complete (and maybe even film) your own workout video in the style of Joe Wicks. Use his channel for

	inspiration. Remember to give your body the time to recover between exercises.
