

<p>When should my child self-isolate or miss school?</p> 	 <p>NO</p>	<ul style="list-style-type: none"> All children MUST attend school unless they are ill From 16 August 2021, children under 18 (or double-vaccinated adults) do not need to self-isolate or miss school if a member of their household or a contact, has Covid. Instead, you will need to book your child a PCR test but they can continue coming to school so long as they have no symptoms whilst they await the result of the PCR test.
	 <p>YES</p>	<ul style="list-style-type: none"> If your child develops Covid symptoms at home, they should stay at home and you should book them a PCR test, NOT a Lateral Flow test. If your child develops Covid symptoms at school, they will be sent home and you should book them a PCR test. If your child tests positive for Covid, they will need to self-isolate. The rest of the household does not need to self-isolate if they are under 18 or fully vaccinated – but instead should book a PCR test.

Covid Community Risk	Description	Actions
 <p>Low Community Transmission. No School Cases</p>	<p>There have been no cases of Covid within school for 10 school days.</p> <p>Cases of Covid locally are low and/ or stable.</p> <p>Hospitalisation/ Deaths due to Covid nationally are low.</p>	<p>No Covid measures are necessary beyond:</p> <p>Reminding children of good hand-hygiene.</p> <p>Ensuring good ventilation is encouraged where practical.</p> <p>Ensuring Children / Staff to stay at home if they have Covid Symptoms (and to book a PCR test).</p> <p>Staff will continue to test themselves using Lateral flow tests until the end of September.</p>
 <p>Rapidly Rising Community Transmission</p>	<p>No current Covid cases have been recorded at school, but...</p> <p>Cases of Covid are rising rapidly in the community causing disruption to other local schools.</p> <p>Norfolk Public Health / Public Health England issue warnings of expected local/ national infection wave.</p>	<p>Ventilation of classrooms increased & handwashing supervised.</p> <p>Large indoor public performance audience numbers reduced.</p> <p>Staff-room capacity reduced.</p> <p>Numbers reduced for assemblies and school gatherings.</p> <p>School specific risk assessments used – actions taken which mitigate risk further but do not limit ability to provide whole curriculum to all classes/year groups.</p> <p>Individual risk assessments may be reviewed.</p>

 <p>A single child tests Positive</p>	<p>A single child tests positive for Covid in a class.</p> <p>There are fewer than 5 cases in the year group.</p> <p>No other year groups are affected.</p>	<p>The child self-isolates for 10 days. Remote learning will be provided if they are well enough to complete it.</p> <p>The parents of the child may be contacted directly by NHS Track and Trace to establish likely contacts.</p> <p>The close contacts may be contacted by NHS Test & Trace and advised to book at PCR Test.</p> <p>Children do not need to miss school or self-isolate whilst they wait for the result of the PCR test unless they have Covid Symptoms.</p> <p>Schools no longer inform parents of positive cases. Schools no longer are responsible for Test and Trace.</p>
 <p>5 children or staff within a year group test positive within 10 days of each other OR 3 children or staff in a single Class</p>	<p>There have been 5 cases of Covid across a year group within 10 days which could mean that Covid is spreading within that group of children.</p>	<p>As above for each positive case.</p> <p>The school will discuss the outbreak with Norfolk Public Health and will be advised IF the school needs to strengthen protective measures for 10 school days. These MAY include:</p> <ul style="list-style-type: none"> * Re-introducing staff face masks for corridors & communal areas. * Adapting, limiting or postponing indoor sporting events, trips, , extra-curricular clubs, open days and performances. * Reverting to video-link Assemblies in classrooms. * Reducing the number of classes staff work across.
 <p>Covid cases continue to increase rapidly within a 10-day period.</p>	<p>Despite the measures indicated above, Covid cases within the school continue to rise within a 10-day period with multiple classes and staff affected, suggesting that Covid is spreading widely throughout the school.</p>	<p>Incident Management Team meeting held between the school and Norfolk Public Health to agree further measures, for a further 10 school days, including:</p> <ul style="list-style-type: none"> * Re-introducing class bubbles. * Reverting to class-based school lunches. * Limiting all non-essential visitors to school. * Postponing all non-essential events. * Re-introducing remote learning for individual classes for 10 school days considered.
