Issue 13 Friday 18th December 2020

Dear Parents

Welcome to our final newsletter of the term! This week's newsletter is all about celebrating the achievements of the pupils in school. As we couldn't invite you to attend an end of term celebration assembly, we have instead included all the names of pupils who have achieved an award so that we can celebrate them together here.

I want to say a huge WELL DONE to all our pupils for this term. Whether they have achieved a certificate or not, they have all been brilliant. It has been a term like no other. It has been full of challenges and new routines that we have all had to get used to. It's not been easy and we know that the world feels unsteady at the moment. This can make us all feel vulnerable and make relationships strained. We need to continue to work together to face difficult times and support each other to be the best that we can. Celebrating our own successes and the achievements of others is a lovely way to conclude the Autumn Term.

Thank you to everyone who has sent in a kind message to staff. Your words really mean a great deal to us all. I would like to take this opportunity to thank all the staff at Old Catton for their hard work, dedication and commitment to school and all the pupils. This term hasn't been easy and I could not wish to work with a better group of people. They all deserve a well-earned break with their families.

I would like to wish you all a very merry Christmas and a happy and healthy New Year. I hope that we can all look forward to a more settled year next year. Best wishes from all the staff at OCJS.
