PASTORAL SUPPORT ASSISTANTS

Would you like the opportunity to work with children and provide them with the appropriate help and support they need and deserve?

This interesting and rewarding role will require a special kind of person. Are you a flexible and committed person who:

- Can provide high quality care and support for children, enabling our children to flourish
- Can build positive relationships with children
- Is able to use their own initiative but can also work collaboratively by liaising with other members of the school community
- Has a professional manner and enjoys working as part of a team
- Is enthusiastic, warm, caring, understanding, motivated, reflective and patient with a positive outlook.

Our priority is to develop the whole child, both emotionally and academically. We bring together the most committed people to provide a rounded education including additional pastoral support as required, to ensure we succeed in enabling our children to flourish.

We can support you too. We believe in investing in our staff as individuals, offering opportunities to develop skills and experiences while working as part of one supportive team. Being a part of the Nebula Federation's family of schools offers our employees unique experiences and training opportunities that help develop both existing and new skill sets.
