PHYSICAL EDUCATION & SPORT PREMIUM

Impact statement

Action	impact	comments
Swimming	61% of pupils swam competently, confidently and proficiently over 25m. 61% of pupils used a range of strokes effectively 61% of pupils performed safe self-rescue	
Maintenance, insurance and driving of minibus Access to competition Affiliations	Key indicators 2 4 5 Pupils were able to attend multiple events improving their access to a range of physical activity and a variety of competition at different levels	Pupils had access to cross country; korfbal; football; tag-rugby; indoor athletics; athletics, multi-skills, SEND only events and cricket across the key stage. This included festivals for pupils who would otherwise not be selected to represent the school. Ofsted recognise that the curriculum gives pupils many opportunities to be successful and that pupils can attend a wide range of sporting events and participate in local competitions
Extra-Curricular Opportunities Including Support for residential and non-residential courses, dance, expansion of active playtimes and lunchtimes, clubs before and after school.	Key indicators 3 4 Pupils accessed a high level of challenge through learning new skills such as climbing, canoeing, kayaking, sailing, archery, high ropes, team tasks. Raised self-esteem, aspiration, self-confidence,	These skills are transferable and transition to High School for Yr.6 was very successful. Pupils across the school have the opportunity to build on skills learned within the curriculum and raise their level of performance.

	awareness of self and the ability to work as a team were all evident in virtually all pupils. Greater engagement and participation of children in PE and Sport during lunchtimes, before and after school. Wider variety of activities and opportunities offered.	
Employment of Apprentices	Key indicators 1 2 3 4 5 P.E. apprentices: • raise the profile of physical education and sport throughout the school by acting as role models • they provide support during lessons to teachers teaching physical education which raises pupils' standards • provision is increased through lunchtime and after school provision • access to competition improves as pressures on staffing are reduced	As their own skill level increases form working alongside specialists, apprentices are able to disseminate knowledge to other staff who they work alongside.
